SIDDHANTHAM NAVEEN

+91 8008202540 | snaveen6281@gmail.com | Full Stack Developer | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Motivated B.Tech CSE (AI & ML) student with hands-on experience in full-stack web development, machine learning, and building scalable applications. Proficient in the MERN stack, Python-based frameworks, and REST API development, with working knowledge of containerization, cloud deployment, and applied GenAI (RAG/LangChain) workflows. Passionate about writing clean, maintainable code and delivering impactful digital solutions with a strong foundation in data structures, databases, system design, and model deployment. Experienced in working across both frontend and backend systems, with projects deployed on platforms like Render and Vercel.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, React.js, Next.js, Tailwind Css, TypeScript
Backend: Node.js, Express.js, REST APIs, JWT Authentication
Database: MongoDB, Sql
Tools: Git, GitHub, Docker

PROFESSIONAL EXPERIENCE

Web Development Intern Dec 2024 – Feb 2025
Nullclass | Certificate Remote

- Developed dynamic and interactive web applications using HTML, CSS, and JavaScript as part of real-time project training.
- Built a YouTube-like website from scratch, implementing video listing UI, responsive layouts, and interactive components.
- Demonstrated strong problem-solving abilities, effectively collaborated with colleagues, and consistently displayed a strong work ethic and willingness to learn.

Tech: HTML, CSS, JavaScript

AI & ML Intern 15 May 2024 - 25 Jun 2024
APSSDC (Edunet Foundation & IBM SkillsBuild) Andhra Pradesh

- Completed a 6-week internship on Artificial Intelligence and Machine Learning leveraging the IBM SkillsBuild platform.
- Worked on ML concepts including supervised learning, data preprocessing, feature engineering, and model evaluation for practical use cases.

Tech: Python, IBM SkillsBuild, Machine Learning, Data Preprocessing

Web Development Intern (Django) 12 May 2025 - 12 Jul 2025
APSSDC - Summer Online Internship Program 2025 Andhra Pradesh

- Completed a certified internship on Web Development using Django under the APSSDC Summer Online Internship Program 2025.
- Built backend-driven web applications with URL routing, views, template rendering, form handling, and SQLite database integration.

Tech: Python, Django, HTML, CSS, SQLite

PROJECTS

StudySync | React.js, Node.js, Express.js, MongoDB | GitHub **|** Live

- Built a full-stack study platform where students can access organized learning materials, track their progress, and collaborate effectively.
- Developed a RESTful backend with Node.js and Express.js connected to MongoDB for persistent data storage; deployed the backend on Render.
- Designed a clean and responsive React.js frontend with smooth navigation and dynamic content rendering.

FitFuel - Fitness & Nutrition Guide | HTML, CSS, JavaScript | GitHub **|** Live

- Developed a complete fitness and nutrition guide web application providing workout plans, diet recommendations, and BMI tracking.
- Built a fully responsive UI with clean design and interactive components; deployed on Vercel for public access.

Job Application Tracker | Next.js, TypeScript, MongoDB, Tailwind CSS | GitHub **|** Live

- Built a full-stack job tracking system with a drag-and-drop Kanban board (dnd-kit) that moves applications across Wish List, Applied, Interviewing, Offer and Rejected stages, persisting card order and status to MongoDB through Mongoose.
- Implemented secure email-password authentication with Better Auth, including an OTP-based password reset flow with email delivery via Resend, and per-user board isolation using Next.js server actions for CRUD operations; deployed on Vercel.

EDUCATION

Bachelor of Technology - CSE (AI & ML) 2022 - 2026
Aditya College of Engineering and Technology, Surampalem | CGPA: 7.46
Relevant Coursework: Data Structures, Algorithms, Machine Learning, Deep Learning, DBMS, Artificial Intelligence, NLP, Computer Networks

CERTIFICATIONS & ACHIEVEMENTS

Amazon Aurora MySQL - Basics Jun 2025
AWS Training & Certification Certificate

Web Development & Real-Time Project - Build a Website Like YouTube Dec 2024
Nullclass Certificate

My APSSDC, My Website - Web Design Course 2024
GUVI Geek Networks (Skill-A-Thon) Certificate
